| <i>Rough Trade-In</i> | <i>\$8,300</i> | <i>Clean Trade-In</i> | <i>\$10,375</i> |
| <i>Average Trade-In</i> | <i>\$9,450</i> | <i>Clean Retail</i> | <i>\$12,925</i> |

Minimum Bid of \$9,300

Options

- Luggage Rack
- Fixed Running Boards
- Towing/Camper Package
- Rear Entertainment System

The tires are worn on the inside. They should get replaced and needs an alignment to go with. Not sure if it's the suspension that is causing the wear on the tires on the inside. Also, the wheel bearings. There is an oil leak from the rear PTU seal and that will be about \$700.00 to fix.
